**ABOUT THE REF**

The REF is comprised of volunteers, who have a **passion for providing classroom enhancements, including technology through grants to our schools**. REF is a registered 501c3 not-for-profit organization whose mission is to enhance and enrich the public educational experience of all our students. Together with the community, we aim to keep our schools ready for tomorrow.

**WHAT DOES THE REF DO**

The REF provides Ringwood teachers, who have requested grants, with competitive resources to teach our students more effectively. Unlike the PTO that is unique to each school, the REF works with all the Ringwood Public Schools to bring enhancements to the existing curriculum. As of June 2015, the REF has granted to the Ringwood school district nearly \$400,000.

**HOW DOES THE REF DO IT?**

The REF can only continue to provide these grants to our schools for our children through community support. Please continue to support us throughout the year with our various fundraisers. We also gratefully accept cash / check donations at any time. Finally, if you would like more information on how you can help the Board please contact one of the Board Officers through our web site at: [www.ringwoodef.org](http://www.ringwoodef.org).
